

HMRS Library, Serials Collection Catalogue.

Introduction.

It is now 4 years since the Serials Collection Catalogue was produced. Since then the collection has been placed in the Library and received many additional items and a few have been transferred into the Main Library. Two points follow from here.

Firstly by compiling the updated list of Serials, members can see what is available for research at the Centre, or to be photocopied.

If you wish to avail yourselves of this facility please order as before requesting any page, article, drawing, photograph, etc. from any of the serials listed herein. Currently this is 10p per A4 sheet, plus postage & packing. To order copies, please let me have the serial title, date, issue number, page number(s) and title of article; together with your-name, address, membership number and a cheque. Please send either a blank cheque, or a "not to exceed" cheque to me, with your order, at the address below.

Secondly, I hope that members who may have items to donate can see what we still require. As before Please do not send any magazines or journals without prior agreement. Thank you. Please make use and enjoy the facilities we have on offer at your Study Centre.
